

Dear Prospective Sponsor:

We are seeking sponsorship as we plan our annual Our City, Our Health, Our Future Fundraiser to be held on Thursday, June 8th from 6:00-9:00pm. Your past sponsorship of our fundraiser was crucial to the event's tremendous success. We raised over \$32,000, and 130 guests enjoyed food, drinks, music, and the beautiful grounds at the Vollmer Center while participating in our silent auction and Fund-a-Need live auction and learning more about the clinic and its far-reaching mission!

Shepherd's Clinic operates on a very tight budget to provide primary care, mental health services and wellness activities to 1,000 low-income uninsured, working citizens of Baltimore City every year. Relying solely on the generosity of individuals, foundations/corporations, civic groups/congregations, and patient contributions, we pride ourselves on how we stretch every \$1 donated into over \$5 in services. Hundreds of volunteer physicians, nurses, and interested others make it possible for the clinic to do this work.

We would like to ask that you consider becoming a sponsor of our upcoming 2017 fundraiser. Your sponsorship will not only be recognized by the 150 event attendees we are expecting, but also by everyone who reads the Shepherd's Clinic blog, receives our newsletter and annual report, and follows us on Facebook. Below you will find our sponsorship levels:
