

Dear Prospective Donor:

We are seeking silent auction items for our second annual fundraiser for Shepherd's Clinic: **Our City, Our Health, Our Future**. The event will be held on a Thursday, June 2, 2016. Last year thanks to the support of businesses like yours, we raised \$17,000 and 110 guests enjoyed food, drinks and music. This event is a celebration of the hundreds of volunteers who donate thousands of hours annually to provide primary care, mental health counseling, and wellness services to our most vulnerable neighbors, and to raise money to help support these health services.

The proceeds from your silent auction donation will directly support health care services that reach over 1,000 low-income Baltimore residents each year. Unfortunately many of our patients continue to struggle with accessing as well as affording ACA insurance products and still rely on the clinic for their health care needs. By donating an item, you will be making a tax deductible contribution that will help Shepherd's Clinic continue to help make life better for individuals in need, right here in our community. Shepherd's Clinic is a nonprofit, volunteer-driven health center operating since 1991. We receive no government funds. Attached is our donor form.

If you would like to learn more about Shepherd's Clinic or arrange a tour to see firsthand how far your support will go toward helping our patients, I invite you to contact Glenda Skuletich at 410-467-7140 Ext. 236 or visit our website www.shepherdsclinic.org. Please direct your silent auction inquiries to Heather Burnside. I can be reached at 443-324-2504 or hkburnside@gmail.com.

Thank you in advance for your support.

Sincerely,

Heather Burnside
Board Member
